1. How to inward a letter

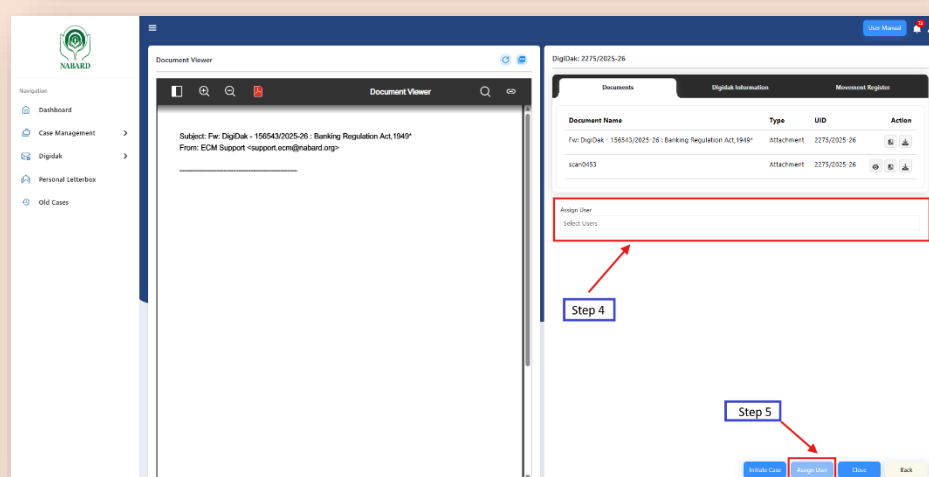

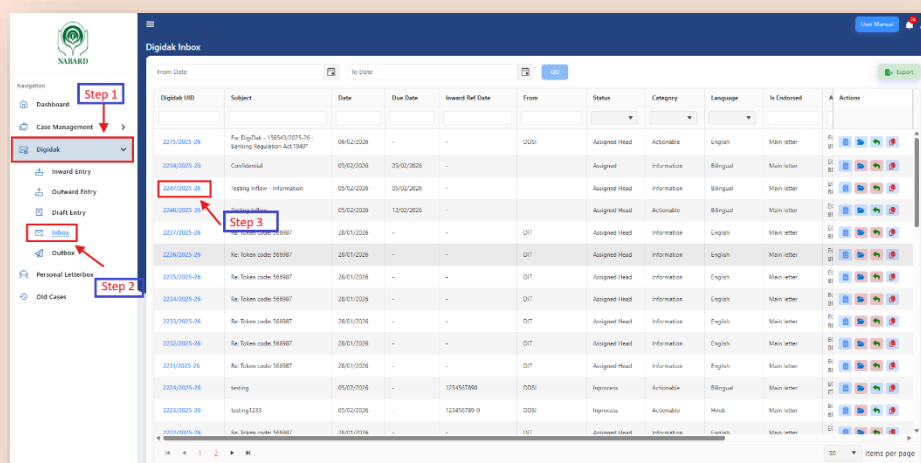

- Users can inward external letters that have come from e-mail or in hard copy, by following the below mentioned steps:
 - **Step 1:** Click on Digidak in the left navigation bar, which will open submenus
 - **Step 2:** Click on Inward Entry
 - **Step 3:** Fill in all details, click on Generate Inward Number and upload the document with the generated Inward Number
 - **Step 4:** Click on Inward button, to inward the letter.

This will move the letter to inbox and will be assigned directly to the vertical head (for HO Users) or department head (for RO Users). The Vertical Head or the department head can now assign the letter to any officer/staff.

The screenshot shows the 'Add New Inward' form in the Digi Dak system. The form is divided into two main sections: a top section for entering details and a bottom section for uploading documents. The top section includes fields for Type, Task Category, Address of Sender, State of Sender, Received From, Priority, Security, Language, Inward Reference Number, Subject of Letter, Date, Mode of Receipt, and Vertical. The bottom section has an 'Upload File' button and a table for uploading documents. The table has columns for File Name, Document Type, Action, Digidak ID, Sender, Recipient, Digidak ID/IS, and Status. The 'Add' button is located at the bottom right of the form. Red arrows and boxes highlight the steps: Step 1 points to 'Digidak' in the left navigation bar; Step 2 points to 'Inward Entry' in the submenus; Step 3 points to the 'Add' button; and Step 4 points to the 'Inward' button at the bottom right.

2. How to assign a letter (by Vertical/Department Head to any Officer/Staff)

- A Vertical Head (at HO) or Department Head (at RO/TE) can assign a letter to someone in the Vertical (for HO Users) and Department (for RO/TE Users) by following the below mentioned steps:
 - **Step 1:** Click on Digidak in the left navigation bar, which will open submenus
 - **Step 2:** Click on Inbox
 - **Step 3:** Click on Digi Dak UID which will open the Letter
 - **Step 4:** On the letter details section (the right side), Click on Assign User Dropdown, to select the user to whom the letter is to be assigned.
 - **Step 5:** Once the user(s) is/are selected, click on Assign User button to send/assign the letter.

3. How to outward/send a letter

- Users can send a letter by following the below mentioned steps:
 - **Step 1:** Click on Digidak in the left navigation bar, which will open submenus
 - **Step 2:** Click on Outward Entry
 - **Step 3:** Fill in the required details, select the type of correspondence, for example IOM, Purchase Order, IDM, Letter, Invoice, DO Letter.
 - **Step 4:** Generate Outward Number
 - **Step 5:** Upload the Document(s) with the generated Outward Number
 - **Step 6:** Click on Send Button, to Send the letter.

The screenshot displays the 'Add New Outward' form in the SABARD system. The form is divided into several sections for data entry. The left sidebar shows the navigation menu with 'Digidak' and 'Outward Entry' highlighted. The main form area contains the following fields and steps:

- Step 1:** Click on 'Digidak' in the left navigation bar.
- Step 2:** Click on 'Outward Entry' in the left navigation bar.
- Form Fields:**
 - Type: Internal
 - Task Category: Actionable
 - Nature of Correspondence: Letter
 - Mode of Dispatch: DigiDak
 - Subject of Letter: Dummy Subject for Letter
 - Priority: Normal
 - Secrecy: Regular
 - Language: Bilingual
 - Due Date: 27/02/2026
 - File Number: D001-000-006
 - Response To DigiDak ID: 000
 - Source Workunit: DCM-HQ-DDS-BPC
 - Send Endorsements: No
 - Selected Recipients: DIT-S
- Step 3:** Click on 'Generate Outward Number' button.
- Step 4:** The generated number is displayed in the 'Letter Number' field: NB.D001.HQ.DDS-000-006/31725825-26.
- Step 5:** Click on 'Upload a document' button.
- Step 6:** Click on 'Send' button.

The bottom section of the form shows a table with the following data:

File Name	Document Type	Action	DigiDak ID	Sender	Letter Number	Dept/REC/ITS	Status
None\SheetTemplate\dinetherchoudhary.docx	Main Letter		221712025-26	Tarunm Aazmi	NB.D001.HQ.DDS-000-006/31725825-26	DIT	Sent

4. How to outward/send bulk letter

- If a letter is to be sent to multiple HODs/ROs/TEs, user can send bulk letter by following the below mentioned steps:
 - **Step 1:** Click on Digidak in the left navigation bar, which will open submenus
 - **Step 2:** Click on Outward Entry
 - **Step 3:** Fill in the required details, select the type of correspondence, for example IOM, Purchase Order, IDM, Letter, Invoice, DO Letter.
 - **Step 4:** Check on Sending Bulk Letter
 - **Step 5:** Select the HO/RO/TE in dropdown.
 - **Step 6:** Select the recipients to whom the letter is to be sent
 - **Step 7:** Select No in Send Endorsements dropdown (if you want to send endorsements, go to How to send a letter with endorsements).
 - **Step 8:** Generate Outward Number
 - **Step 9:** Upload the Document(s) with the generated Outward Number
 - **Step 10:** Click on Send Button, to Send the letters.

The screenshot displays the 'Add New Outward' form in the Digi Dak system. The form is divided into several sections, with red boxes and arrows indicating the steps for sending a bulk letter:

- Step 1:** Click on 'Digidak' in the left navigation bar.
- Step 2:** Click on 'Outward Entry' in the left navigation bar.
- Step 3:** Fill in the required details in the 'Add New Outward' form, including Type, Task Category, Nature of Correspondence, Mode of Dispatch, Priority, Secrecy, Response to DigiDak ID, Language, Due Date, File Number, and Subject of Letter.
- Step 4:** Check on 'Sending Bulk Letter' in the 'Source Vertical' dropdown.
- Step 5:** Select the HO/RO/TE in the dropdown.
- Step 6:** Select the recipients to whom the letter is to be sent in the 'Selected Recipients' dropdown.
- Step 7:** Select 'No' in the 'Send Endorsements' dropdown.
- Step 8:** Click on 'Generate Outward Number' button.
- Step 9:** Upload the Document(s) with the generated Outward Number in the 'Upload a document' section.
- Step 10:** Click on 'Send' button.

The form also includes a table for 'Upload a document' with columns: File Name, Document Type, and Actions. The table shows a file named 'Office-Note-revised-format_Feb-2025.docx' of type 'Main Letter'.

5. How to send a letter with endorsements.

- Users can send letters along with endorsements by following the below mentioned steps:
 - **Step 1:** Click on Digidak in the left navigation bar, which will open submenus
 - **Step 2:** Click on Outward Entry
 - **Step 3:** Fill in the required details, select the type of correspondence, for example IOM, Purchase Order, IDM, Letter, Invoice, DO Letter.
 - **Step 4:** Click Yes in Send Endorsements, which will open Endorsements Section like this :

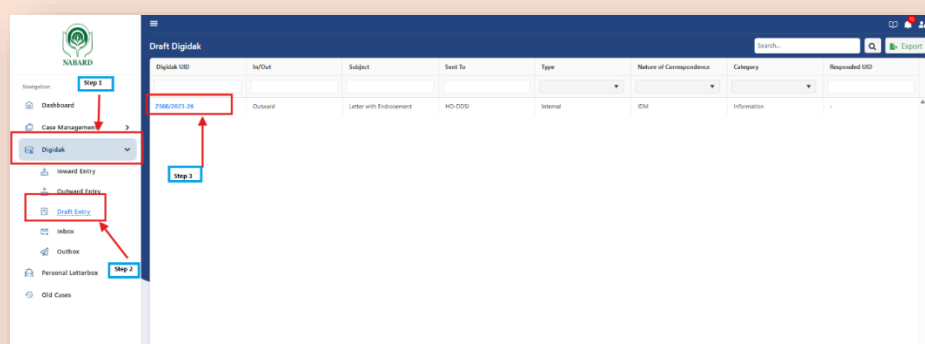

- **Step 5:** Select Task Category, HO/RO/TE and Recipients into the Endorsement section. If required more recipients can be added by clicking on  button.
- **Step 6:** Generate Outward Number.
- **Step 7 :** Upload Document. Upon uploading the letter, the same letter would be attached for the recipients in the endorsement list. However, it can be modified by clicking on  button , wherein the documents can be modified, new document can be uploaded , deleted etc on a pop up.

- **Step 8:** Send the Letter by clicking on Send Button.

The screenshot displays the NABARD Case Management System (CMS) interface. The left sidebar contains navigation options: Dashboard, Case Management, Digidak, Inward Entry, Outward Entry, Draft Entry, Inbox, Outbox, Personal Letterbox, and Old Cases. The main content area is titled 'Add New Outward' and contains a form for creating a new case. The form includes fields for Type, Task Category, Nature of Correspondence, Mode of Dispatch, Subject of Letter, Priority, Secrecy, Language, Due Date, File Number, Response To DigiDak ID, Source Vertical, and Selected Recipients. Below the form is a table of existing cases. At the bottom, there is an 'Upload File' section and a table of uploaded documents. Red arrows and numbered boxes (Step 1 to Step 8) indicate the workflow: Step 1 points to 'Case Management' in the sidebar; Step 2 points to 'Outward Entry'; Step 3 points to the 'Add New Outward' form; Step 4 points to 'Old Cases'; Step 5 points to the 'Upload File' section; Step 6 points to the 'Generate Outward Number' button; Step 7 points to the 'Digidak UID' column in the document table; and Step 8 points to the 'Save' button.

6. How to Check and Work on Draft Entries

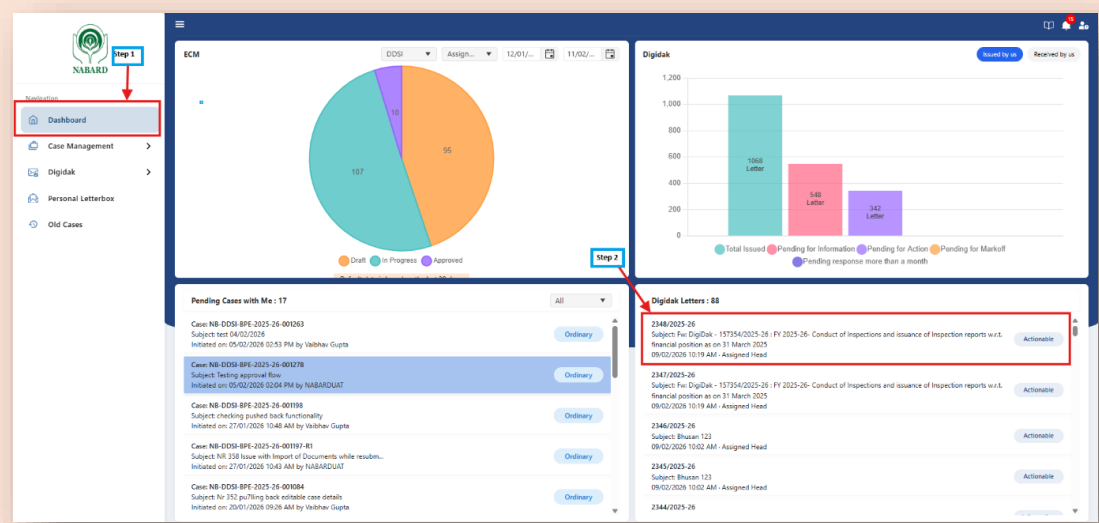

- Users can check the draft entries (the letters for which the Outward Number was generated but was not sent) by following the below mentioned steps:
 - **Step 1:** Click on Digidak in the left navigation bar, which will open submenus
 - **Step 2:** Click on Draft Entry Link
 - **Step 3:** Click on the Digi Dak UID, which is to be sent and take further action.

7. How to check received letters

- Users at Head Office can view the letters if it has been assigned to the vertical users, and at RO/TE, users can view the letters if it has been assigned to the department users by following the below mentioned steps:
 - **Step 1:** Users can view the recently received letters on the Dashboard Page or Users can go to Inbox Page to view the letters received.
 - **Step 2:** Click on the Digi Dak UID of respective letter to view the details.

Access via Dashboard page

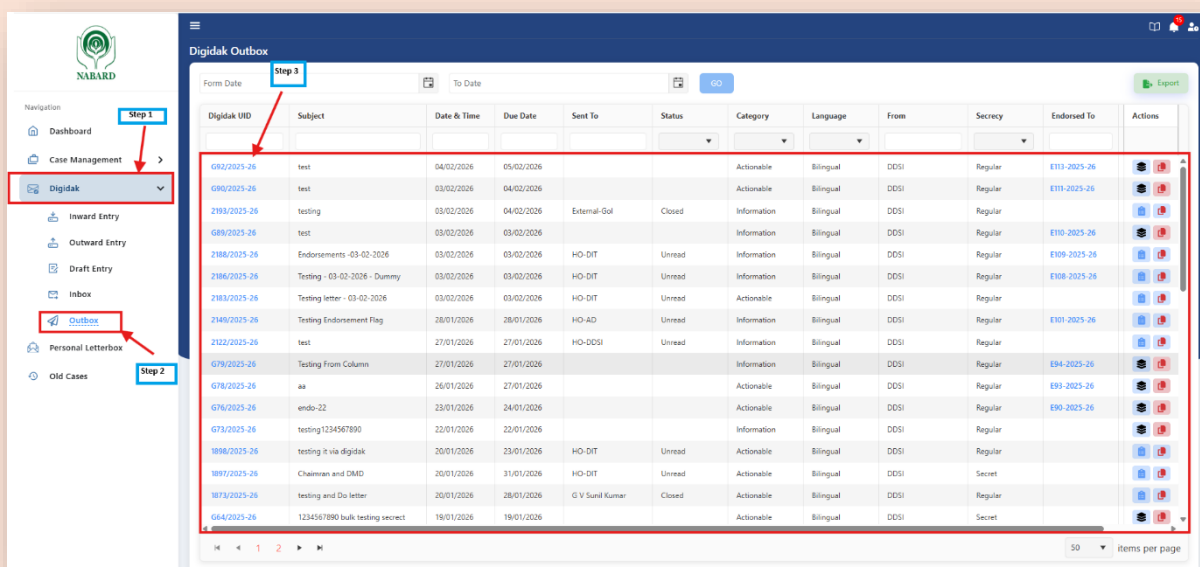

Access Via Inbox Page

The screenshot shows the NABARD Digidak Inbox page. The left navigation menu has 'Inbox' highlighted. The main area displays a table of Digidak letters. A red box highlights the first row of the table, and a red arrow labeled 'Step 2' points to the 'Digidak UID' column header. Another red arrow labeled 'Step 1' points to the 'Inbox' menu item.

8. How to check sent letters

- Users can check the status of sent letters by following the below mentioned steps:
 - **Step 1:** Click on Digi dak in the left navigation bar, which will open submenus
 - **Step 2:** Click on Outbox page
 - **Step 3:** Click on Digi Dak UID of the letter for details. If the sent letter was bulk letter, then the details of bulk will be available on click of  icon.

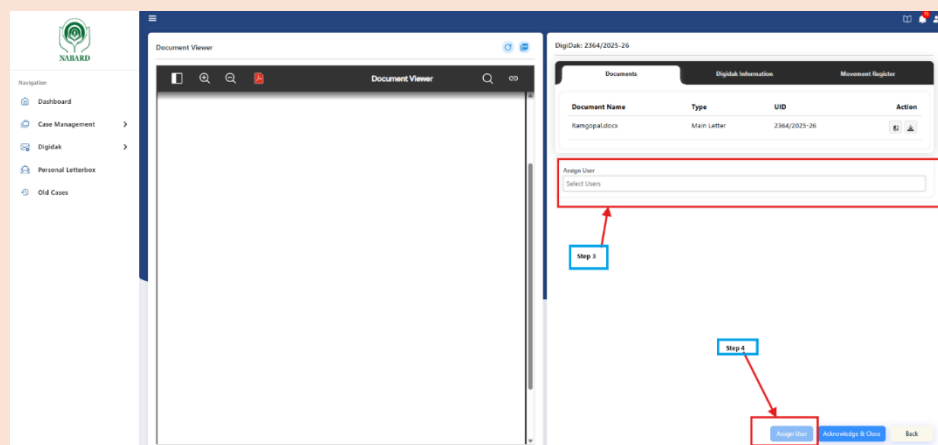

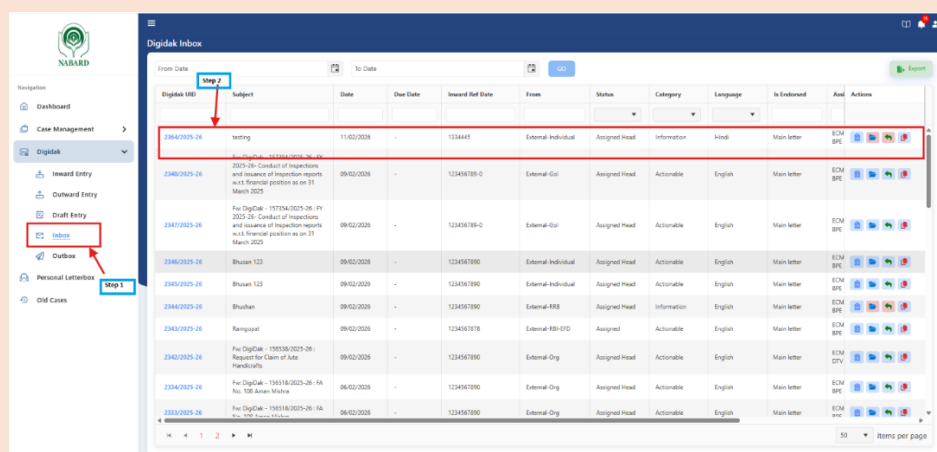

The screenshot displays the Digidak Outbox interface. On the left, the navigation bar shows 'Digidak' (Step 1) and 'Outbox' (Step 2). The main area shows a table of sent letters with columns: Digidak UID, Subject, Date & Time, Due Date, Sent To, Status, Category, Language, From, Secrecy, Endorsed To, and Actions. A red box highlights the 'Digidak UID' column, and a red arrow points to the 'Stack of Papers' icon in the Actions column for the first row (690/2025-26).

9. How to assign a letter to some Officer/Staff

- OICs, Staff in CGM Secretariats, Department Heads (in ROs/TEs) and Vertical Heads (in HODs) can assign a letter in inbox through following the below mentioned steps:
 - **Step 1:** Go to Inbox
 - **Step 2:** Click and open the letter that is to be assigned
 - **Step 3:** Select the user to whom the letter is to be assigned by clicking on Assign User Dropdown as shown below:
 - **Step 4:** Click on Assign User/ Assign Correspondence Button to assign the Letter. (For HO User, the name of Vertical Heads along with their respective Verticals would be shown. For RO/TE, the name of Department Heads along with their department names would be shown.)

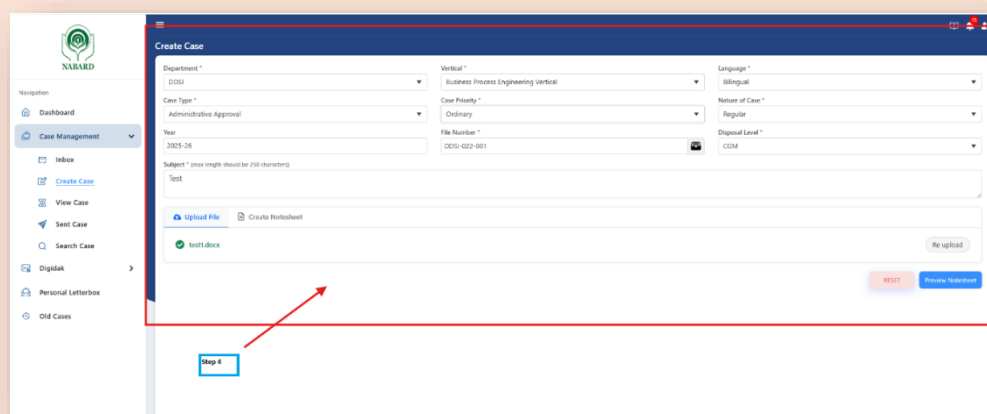

10. How to initiate a case from Digi Dak

- Users can initiate a case for a letter that has been marked as 'for Action' (i.e. Task Category as Actionable) by following the below mentioned steps.
 - **Step 1:** Go to inbox
 - **Step 2:** Click on  button of the letter for which the case is to be initiated
 - **Step 3:** Click on Ok Button on the confirmation pop up. This will redirect to create case page.

- **Step 4:** Fill in the required details, Preview the note sheet and create the case (The letter will be automatically attached as one of the supporting documents.)

11. How to send Office Order (only for HRMD Users)

- Officers/ Staff posted in HRMD Department of HO/ RO and TEs can only send Office Orders by following the below mentioned steps:
 - **Step 1:** Go to Outward Entry
 - **Step 2:** Fill in all details (Select office Order in Nature of Correspondence). This will also enable the Send Endorsements section. (If not required click on No in Send Endorsements Dropdown)
 - **Step 3:** Select Users to whom the Office Order is to be sent
 - **Step 4:** Generate Outward Number, this will generate an Office order No (if there are recipients in endorsement section, it will generate one outward numbers for each one of them.)
 - **Step 5:** Upload the document with Office Order Number and click on send button to send the Office Order.
 - **Step 6:** Click on send to “Send” button to send the office order

The screenshot displays the 'Add New Outward' form in the NABARD Digi Dak system. The form is divided into several sections, with red boxes and arrows indicating the steps for sending an Office Order:

- Step 1:** The 'Outward Entry' option is selected in the left-hand navigation menu.
- Step 2:** The 'Nature of Correspondence' dropdown is set to 'Office Order'.
- Step 3:** The 'Users' dropdown is set to 'Users'.
- Step 4:** The 'Generate Outward Number' button is clicked.
- Step 5:** The 'Upload File' section is used to upload a document.
- Step 6:** The 'Send' button is clicked to send the office order.

The form includes fields for Type, Task Category, Nature of Correspondence, Mode of Dispatch, Priority, Security, File Number, Response to DigiDak ID, Language, Due Date, Source Vertical, Sending Bulk Letter, Send Endorsements, and a table for Recipients. The bottom section shows a list of documents with columns for File Name, Document Type, Action, Office ID, DigiDak UID, Sender, Letter Number, Dept/RO/TE, Status, and a checkbox for Send.

12. How to send DO Letter

- DO Letters can be sent by users by following the below mentioned steps:
 - Step 1: Click on Digidak in the left navigation bar, which will open submenus
 - Step 2: Click on Outward Entry
 - Step 3: Fill in the required details, select the type of correspondence to “DO Letter”.
 - Step 4: Generate Outward Number
 - Step 5: Upload the Document(s) with the generated Outward Number
 - Step 6: Click on Send Button, to Send the letter.
(Please note that the received DO Letter will be available in the personal letterbox of users to whom it was sent.)

The screenshot displays the 'Add New Outward' form in the NARIED system. The form is divided into several sections with red boxes and arrows indicating the steps to follow:

- Step 1:** Click on 'Digidak' in the left navigation bar.
- Step 2:** Click on 'Outward Entry' in the left navigation bar.
- Step 3:** Fill in the required details, select the type of correspondence to “DO Letter”.
- Step 4:** Generate Outward Number.
- Step 5:** Upload the Document(s) with the generated Outward Number.
- Step 6:** Click on Send Button, to Send the letter.

The form fields include:

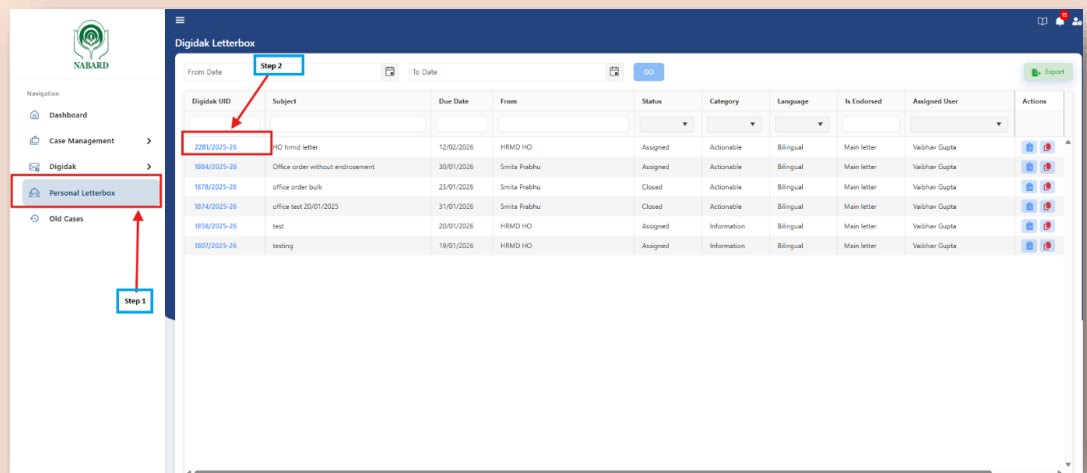

- Type: Internal
- Task Category: Actionable
- Subject of Letter: Text
- Language: Bilingual
- Due Date: 18/02/2025
- Source Vertical: EOM-IND-000-001
- Source Horizontal: HQ/ROUTE
- Return of Correspondence: DO Letter
- Mode of Dispatch: Digital
- Priority: Urgent
- File Number: EOM-000-001
- Response To Digidak ID: 00
- Selected Background: EOM - B. Request/Reply
- Send Endorsements: No

The 'Upload File' section shows a file named 'correspondence.docx' with a document type of 'Main Letter'. The 'Generate Outward Number' button is highlighted, and the 'Send' button is also highlighted.

Digidak ID	Sender	Letter Number	Dispatch	Status
2366/2025-26	Valdhen Gjypte	N.E.D00-HQ/ROUTE-000-001/2366/2025-26	EOM	Sent

13. How to check Letters in Personal Letterbox

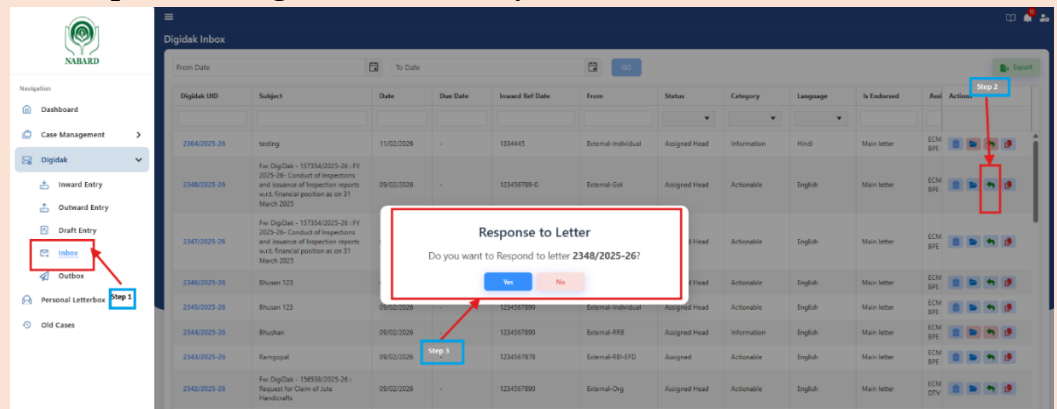

- This menu will only contain the received Office Orders and DO Letters (for OICs). Users can check the details by following the below mentioned steps:
 - Step 1: Go to Personal Letterbox option and click on it
 - Step 2: Click on the Digi Dak UID of the Office Order / DO Letter to view the details.

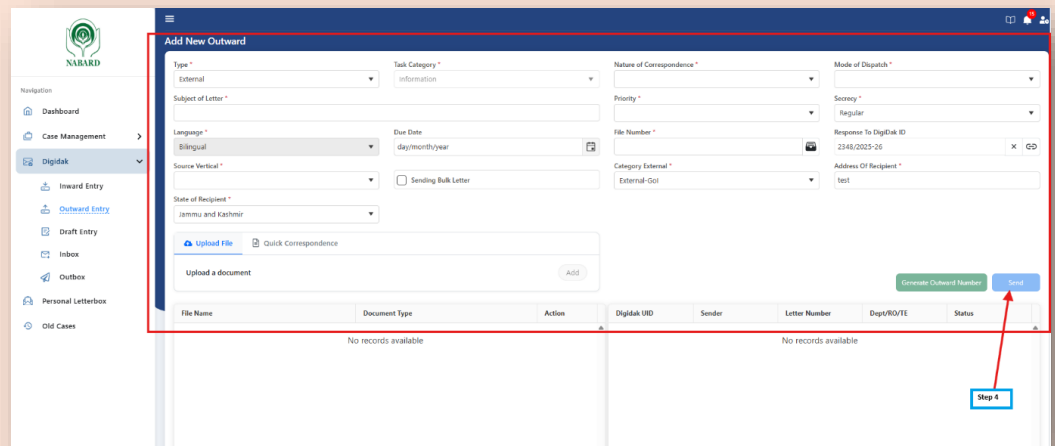

14. How to respond to a letter

- Users can respond to the letters which have been received as Actionable Category in Inbox by following the below mentioned steps:

- **Step 1:** Go To Inbox Page of Digi Dak and click on  button.
- **Step 2:** Click 'Yes' on the confirmation pop up
- **Step 3:** This will redirect the user to Outward Page with “Response to Digi Dak ID” already filled in.

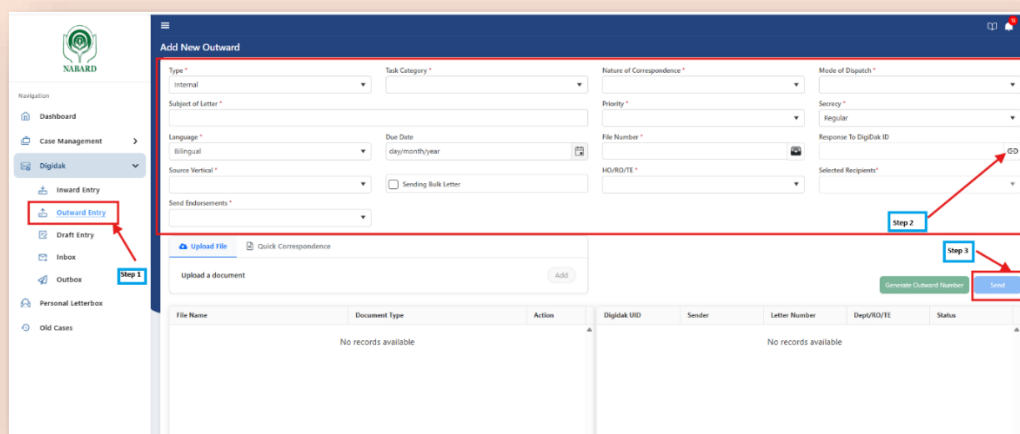

- **Step 4 :** Fill up other details, generate outward number, upload document and click on Send.

OR

- **Step 1:** Go to Outward Entry Page of Digi Dak
- **Step 2:** Fill in all details and in Response to “Digi Dak ID” input box, click on  to select the letter which is to be responded.
- **Step 3:** Fill up other details, generate outward number, upload document and click on Send.

15. How to copy a letter's content

- Users can now copy the details/metadata of a letter available in the Inbox or Outbox of Digi Dak. This feature has been introduced to minimize repetitive effort by eliminating the need to reselect the same metadata for similar type of letters. Users may follow the below mentioned steps:

- **Step 1:** Open the Inbox Page or Outward Page in Digi Dak
- **Step 2:** Click on  button to copy the metadata of the letter
- **Step 3:** Click on 'Yes' on Confirmation pop up.

- Step 4: User will be redirected to Outward Page with the same metadata of the selected letter.

16. How to close a letter

- Users can close “For Information” categorized Letter. Further, OICs, CGM Secretariat, Vertical Heads (at HO) and Department Head (at RO/TE) can close “For Action” Categorized letters as well. Below mentioned steps may be followed to close the letters.
- Based on the secrecy of letters, the access control of the letters is as under

Secrecy of Letters	HO Users		RO/TE Users	
	For Information Letters	For Actionable Letters	For Information Letters	For Actionable Letters
Regular	Can be accessed and closed by all users of vertical	Can be closed by OIC, CGM Sect, Vertical Head	Can be accessed and closed by all users of department	Can be closed by OIC, CGM Sect, Department Head
Confidential	Can be accessed and closed only by user to whom the letter is sent	Can be accessed and closed by OIC, CGM Sect, Vertical Head	Can be accessed and closed only by user to whom the letter is sent	Can be accessed and closed by OIC, CGM Sect, Department Head
Secret	Can be accessed and closed only by OIC	Can be accessed and closed only by OIC	Can be accessed and closed only by OIC	Can be accessed and closed only by OIC

- **Step 1:** Click on the Digi Dak UID of the letter and open the letter that is to be closed.
- **Step 2:** Click on  or Close button to close the letter.
